

TESTIMONIALS

To the Work of Grand Medicine

“Dearest Leonard & Nenita,

“It was so incredible to be in your presence and learn from you and the beautiful way you present the information, knowledge and research.....it is so appreciated.....I have had the privilege of many schools, universities, and classes for decades as a junkie for knowledge, and I enjoyed your class immensely. Thank you so, so much. This Sclerology information is invaluable.”

—S.K., Alaska

“Dear Leonard/Nenita,

“You continue to be a beacon of light for all. The foundation I had with you has given me a base with which to work. I KNOW you are the best. Both you and Nenita make a formidable team. Even David Pesek was forced to admit it when I did two courses with him in Atlanta. Namaste, and Blessings always.”

—L.C., Florida

“Dear Leonard and Nenita,

“Thank you so much for the wonderful course. It was so good because of the space that you provided: loving, safe and also fun, which allowed the students' "characters" to emerge, and that added a lot to the class. I believe it was truly special. I am so glad that I was guided to go to Go Raw that day and to stay for your presentation. This is exactly what I was looking for. Not knowing what to expect, I am more than satisfied, and am excited about continuing my education in the areas of Sclerology and health.”

—E.S., Nevada

“Dear Nenita,

“Thank you for the class photos. The course was wonderful. I am still reading! Fascinated, really. We are all blessed that there are healers like you and Leonard in the world! Much love and great strength.”

—C.S., Mexico
